Science Week

Science week has been a huge success! It was wonderful to see so many parents getting involved in their children's learning this week and coming along to lessons. A huge thank you must go to teachers and our Science Leader, Mr Seymour, for organising the many activities that the children have thoroughly enjoyed.

Basketball

Congratulations to Youssef, Haytham, Ibrahim, Safiyah and Aysha who represented our school so well this week in a basketball training session and competition this week. A big well done to Youssef and Safiysh who were awarded a prize for outstanding effort and 100% focus.

Tate Britain

Year 4 went on a trip to Tate Britain. They thoroughly enjoyed looking at all the paintings.

Notice

We have reviewed our policies about pupils coming and going from school on their own. From now on only pupils from Years 5 and 6 will be able to go home alone, or come to school on their own. If your Year 5 or 6 child is coming on their own, a letter from you must be given to the office. All other pupils must be brought, or picked up by someone who is on the list which we keep in your child's file. Could you make sure that the names of the responsible adults or older siblings is up to date. If you think the list needs updating could you let Ms Bentaalla know. If for some reason your child needs to be picked up by someone who is not on the list you must phone the office by 2pm to let them know who it will be. Please remember that if an older brother or sister is picking up, they must be at least 16 years old.

Red Nose Day

Today was a successful day raising money for comic relief. Children brought £1 to wear their own clothes. All together we raised £195.20.
